Privacy Statement

This is the website of **Blackprint Limited T/a Alloy Heat Treatment**

We can be reached via email at sales@alloyheat.co.uk

For each visitor to our Web Page, our Web Server logs the IP address of the visitor and the session data. This information is held securely for security reasons and will not be used for any commercial business purposes. The data is retained for as long as required and then securely deleted.

We collect the email address of those who communicate with us via email, aggregate information on what pages customers access or visit and information volunteered by the customer, such as enquiry information and /or site registrations.

The information we collect is not shared with other organisations for commercial purposes. All information that is collected is stored securely.

Our website does use cookies, for more information please see our separate cookie policy.

Persons who supply us with their telephone numbers and/or email address online will only receive telephone/ email contact from us with information regarding the nature of the enquiry they have placed online.

Details obtained by enquiries/ contact made through the website will be held securely. If you do not wish us to hold your data please contact us in writing at the above email address and data will be deleted.

With respect to Ad Servers: We do not partner with or have special relationships with any ad server companies.

From time to time we may use customer information for new unanticipated uses not previously disclosed in our privacy statement. If our information practice changes at some time in the future we will contact you before we use your data for these new purposes to notify of the policy change and to provide you with the ability to opt out of these new uses.

Upon written request we can provide site visitors with access to a description of information that we maintain about them.

Upon written request we offer visitors the ability to have inaccuracies corrected in contact information. Customers who wish to have information corrected can do this by sending us an email at the above address.

If you feel this site is not following its stated information policy or do not wish to receive emails from us in the future, you may contact us at the above email address.
